

Notice of Public Comment Period for Proposed Revision of the Southeast Alaska Area Contingency Plan

The Alaska Department of Environmental Conservation and the U.S. Coast Guard, Sector Juneau, are seeking public input on the proposed revision of the Southeast Alaska (SEAK) Area Contingency Plan (ACP) Version 2020.0. The revised SEAK ACP Version 2020.0 provides responders information applicable to a pollution incident within the Southeast Alaska Captain of the Port Zone. The public review period is from September 23 to October 26, 2020.

The plan is available for review from the Alaska Department of Environmental Conservation's (DEC) website at: <https://dec.alaska.gov/spar/ppr/contingency-plans/response-plans/public-review/>.

You may comment on the draft plan by submitting written comments to: DEC SPAR PLANNING, Alaska Department of Environmental Conservation, 555 Cordova Street, Anchorage, AK 99501, and by electronic mail at decsparplanning@alaska.gov. Comments may also be submitted through the Alaska Online Public Notice System by access this notice on the system and using the "comment" link. The comments must be received no later than 5 p.m. on October 26, 2020. Written comments received are public record subject to public inspection.

You may also submit written questions relevant to the proposed SEAK ACP revision by electronic mail at decsparplanning@alaska.gov or by sending the questions to DEC SPAR PLANNING, Alaska Department of Environmental Conservation, 555 Cordova Street, Anchorage, AK 99501. The written questions must be received at least 10 days before the end of the public comment period (October 16, 2020). If received, the Department of Environmental Conservation will aggregate response to similar questions and make the questions and response available from <https://dec.alaska.gov/spar/ppr/contingency-plans/response-plans/public-review/>. The Department of Environmental Conservation may, but is not required to, answer written questions received after the 10-day cut-off date and before the end of the comment period.

The State of Alaska, Department of Environmental Conservation complies with Title II of the Americans with Disabilities Act of 1990. If you are a person with a disability who may need a special accommodation in order to participate in this public process, please contact Kate Orozco at (907) 465-6171 or TDD Relay Service 1-800-770-8973/TTY or dial 711 prior to October 16, 2020 to ensure that necessary accommodations can be provided.

After the public comment period ends, Alaska Department of Environmental Conservation and the U.S. Coast Guard will either adopt the proposed changes without further notice, revise the proposed changes with information from public review and adopt without further notice, or decide to take no action. Comments received may also be referred to the Southeast Alaska Area Executive Steering Committee for further consideration.
