Re: Construction Permit Application for the Alaska LNG Gas Liquefaction Facility

Dear Ms. Nakanishi-

The Alaska Gasline Development Corporation (AGDC) hereby submits of a construction permit application for the Alaska LNG Liquefaction Facility for the Department's consideration.

This application consists of the *ADEC Air Quality Construction Permit Application Project Information Form* and multiple attachments as described in Section 11 of the Project Information Form.

If you have any questions regarding this submittal, please contact Jim Pfeiffer at (281) 896-6754 or jpfeiffer@agdc.us.

Respectfully,

Frank T. Richards, P.E.
Senior Vice President, Program Management

Enclosure(s):

ADEC Project Information Form for GTP
Additional attachments as described in the Project Information Form
