STREAMLINED OIL DISCHARGE PREVENTION AND CONTINGENCY PLAN

Notification of Voluntary Termination or Suspension

Notification Type:	Suspension (for Nontank vessels only)	Termination
Application Date:		Plan #S
Covered Vessel(s)/IMO#(s):		
Effective Date:		

By request, the above listed vessel(s) are no longer approved for operation in Alaska state waters and the notification is considered effective as of the date listed above. Submittal of this notification is voluntary; as such the plan holder waives the rights under 18 AAC 75.490 to a hearing. The department will update the records for this plan number accordingly.

A request by a plan holder to terminate a plan shall void prior approval for any vessel listed in the plan to operate in Alaska state waters. Terminated plans cannot be reinstated.

Nontank Vessel Only

The plan holder must gain department approval for the reinstatement of a suspended streamlined plan for a nontank vessel before any nontank vessel listed in the plan operates in Alaska state waters. To request plan reinstatement approval, the plan holder is required to complete and submit an application on a form provided by the department, to the department for review and approval at least 5 working days before a nontank vessel is to arrive in Alaska state waters. The department will make a decision on a plan within 5 working days after receipt of a complete application. The suspension of a plan will not change the expiration date of any prior approval.

I certify, under penalty of unsworn falsification in violation of AS 11.56.210, that I am the applicant, a principal of the applicant, an authorized agent for the applicant, or an official of the applicant; that I have authority to sign this application; and that I have examined this application in its entirety and to the best of my knowledge, information, and belief, find it to be true, correct and complete.
