RE: Environmental Health Laboratory schedule week of January 18-22, 2021

To our valued clients:

Alaska state offices will be **closed** on Monday, January 18th in observance of Dr. Martin Luther King Jr.'s Birthday.

As a result, the sample acceptance schedule for **January 18-22** must be modified, as follows:

- Shellfish Growing Water (SGW) samples will be accepted on Tuesday Jan. 19, Wednesday Jan. 20, and by noon on Thursday Jan. 21.
- Paralytic Shellfish Toxin (PST) commercial samples will be accepted Tuesday Jan. 19, Wednesday Jan. 20, Thursday Jan. 21, and by noon on Friday Jan. 22.
- Wet Storage samples will be accepted on Tuesday Jan. 19 and by noon on Wednesday Jan. 20.
- Raw meat samples will be accepted Tuesday Jan. 19, Wednesday Jan. 20, and by noon on Thursday Jan. 21, however meat samples are pooled for efficiency, generally once a week.
- Slaughter sponge samples are good for 24 hours per USDA. Sponges will be accepted Tuesday Jan. 19, Wednesday Jan. 20, and by noon on Thursday Jan. 21, unless written extension provided to hold longer than 24 hours for testing.
- Manufactured and Cottage food samples will be accepted Tuesday Jan. 19 – Friday Jan. 22, however the testing will be conducted when samples are pooled for efficiency.
- Dairy testing is scheduled once a month, as usual, and is already scheduled for the week of Jan. 11th.
- Paralytic Shellfish Toxin (PST) recreational/research testing is scheduled minimum once a month and is already scheduled for the week of Jan. 19th.

Normal sample acceptance schedules resume on Monday, January 25, 2021.

Assistance is available with timing of sample collections, completion of submission forms, packaging, temperature requirements, shipping, and sample tracking. Sampling questions, planned sampling activities, and shipping notifications, can be made to DEC.EH-Lab-ShippingReceiving@alaska.gov or 907-375-8231.

Regards,

Patryce D. McKinney, MBA
Chief, Environmental Health Laboratory
