## Best Practices Score Toksook Bay Spring 2021

|                  | Category                             | O&M Scoring Criteria   | Possible | Score | Explanation of Score   | How to Improve Score  | Contact   |
|------------------|--------------------------------------|--|----------|-------|--|---|---|
|                  | Operator<br>Certification            | Utility has more than one operator certified to the level of the water system  | 10       | 10    | System Classification: Water Treatment 1   | Richard Curtis and Jeffrey Curtis will need 3.0 CEUs by 12/31/22 to renew their certificates in 2022. Jonathan Charlie has the  | ADEC Operator<br>Certification<br>Program<br>465-1139         |
|                  |                                      | Primary operator is certified to the level of the water system and the backup operator holds   | 7        |       | Certification Level: WT 2 required CEUs to renew no Backup Operator: Jeffrey Curtis and pass the WT 1 exam. P  |   |   |
|                  |                                      | some level of certification in water treatment or distribution   | ,        |       |  | required CEUs to renew now. Jonathan Charlie needs to take and pass the WT 1 exam. Please see the enclosed flyer with   |   |
|                  |                                      | Primary operator is certified to the level of the water system and the backup operator holds no certification or there is no backup operator   | 5        |       |  | more information about certification.   |   |
|                  |                                      | Utility has one or more operators certified at some level in water treatment or distribution   | 3        |       | Richard Curtis and Jeffrey Curtis hold the correct level of certification. Jonathan Charlie holds certification but not at the correct level   |   |   |
| <b>Technical</b> |                                      | Utility has no certified operators   | 0        |       |  |   |   |
| Tech             | Preventive<br>Maintenance<br>Plan    | Utility has a written PM plan; PM is performed on schedule; records of completion are submitted on a quarterly basis and have been verified  | 25       | 15    | The utility is not performing the required maintenance or isn't keeping records of maintenance.  | To receive the full points in this category, the operator must have a Preventative Maintenance plan that they follow and the completed plan must be submitted to your assigned RMW each quarter.                                  | Allan Paukan<br>YKHC RMW<br>438-2024                          |
|                  |                                      | Utility has a written PM plan; performance of PM and record keeping are not consistent   | 15       |       |  |   |   |
|                  |                                      | Utility has no PM plan or performs no PM   | 0        |       |  |   |   |
|                  | Compliance                           | Utility had no Monitoring and Reporting violations during the past year  | 10       | 5     | The utility had 1 Drinking Water Monitoring and Reporting violations in 2021.  | The Drinking Water Program provides you with an Annual Monitoring Summary with all of the required samples for your water system. All samples and reports must be collected and submitted in a timely manner.                     | Leslie Morrison<br>ADEC Drinking<br>Water Program<br>269-7518 |
|                  |                                      | Utility had up to five Monitoring and Reporting violation during the past year   | 5        |       |  |   |   |
|                  |                                      | Utility had more than five Monitoring and Reporting violation during the last year   | 0        |       |  |   |   |
| gerial           | Utility<br>Management<br>Training    | A person who holds a position of responsibility for management of the utility has completed a DCRA approved Utility Management course or other utility management training course within the last five years | 5        | 5     | Kendra Tulik attended Clerks Management for Rural Utilities training on 10/22/2020.  | To maintain the full points in this category, consider sending someone to one of the free RUBA trainings each year.   | Fred Broerman<br>DCRA RUBA<br>Program<br>543-3475             |
| ana              | Meetings of<br>the Governing<br>Body | The utility owner's governing body meets routinely consistent with the local ordinance/bylaw requirements and receives a current report from the operator  | 5        | 0     | Meeting minutes for the JUN-NOV 2020 scoring period was not provided to Bethel RUBA staff by the DEC 31, 2020 deadline.  | The governing body needs to meet according to local ordinance and submit minutes to RUBA. The meeting minutes should document that a report was made by the operator to the governing board.                                      |   |
| Σ                |                                      | The utility owner's governing body meets routinely consistent with the local ordinance/bylaw requirements  | 2        |       |  |   |   |
|                  |                                      | The utility owner's governing body does not meet   | 0        |       |  |   |   |
|                  | Budget                               | Utility owner and the Utility have each adopted a realistic budget and budget amendments are adopted as needed; Accurate monthly budget reports are prepared and submitted to the governing body             | 15       | 10    | A balanced FY21 budget was adopted on JUN 23, 2020. However, meeting minutes were not provided for the JUN-NOV 2020 scoring period by the DEC 31, 2020 deadline. Therefore it could not be verified that the budget was being implemented. | Provide RUBA with monthly financial reports and meeting minutes that demonstrate the council is consistently reviewing accurate monthly financial reports.  |   |
|                  |                                      | Either the Utility or the Utility owner has adopted and implemented a budget, the other has not  | 13       |       |  |   |   |
|                  |                                      | Either the Utility or the Utility owner has adopted a budget, but it is not being implemented  | 10       |       |  |   |   |
|                  |                                      | Utility owner and the Utility have not adopted a budget  | 0        |       |  |   |   |
|                  | Revenue                              | Utility is collecting revenue sufficient to cover the Utility's operating expenses and to contribute to a repair and replacement account   | 20       | 20    | ARUC NOV 2020 financials show year-to-date revenues surpassing expenses, with adequate reserve and R&R accounts.   | Full points have been awarded. Keep up the great work.  |   |
| Financial        |                                      | Utility is collecting revenue sufficient to cover expenses   | 15       |       |  |   |   |
| anc              |                                      | Utility has a fee schedule and a collection policy that is followed  | 5        |       |  |   |   |
| Fi               |                                      | Utility has no fee structure or collection policy  | 0        |       |  |   |   |
|                  | Compensation                         | Utility has had a worker's compensation policy for all employees for the past two years and has a current policy in place  | 5        | 5     | Policy verified on 1/14/2021   | Full points have been awarded. Maintain active Worker's Compensation policy to continue receiving these points.   |   |
|                  |                                      | Utility has a current worker's compensation policy in place for all employees  | 2        |       |  |   |   |
|                  |                                      | Utility has no worker's compensation policy  | 0        |       |  |   |   |
|                  | Payroll Liability<br>Compliance      | Utility has no past due tax liabilities and is current with all tax obligations  | 5        | 0     | City compliant with IRS and unemployment insurance contributions. Utility manager is noncompliant with IRS.  | To receive additional points in this category, the utility must either become current on all outstanding tax liabilities, or must enter into a repayment agreement for outstanding tax liability, and remain current on payments. |   |
|                  |                                      | Utility owes back taxes, but has a signed payment agreement, is current on that agreement, and is up-to-date with all other tax obligations  | 2        |       |  |   |   |
|                  |                                      | Utility is not current with its tax obligations and/or does not have a signed repayment agreement for back taxes owed  | 0        |       |  |   |   |
