

US Coast Guard: Sector Anchorage

2021 GRS Deployment

2020 GRS Exercise:
Tier II and III validations
were completed on GRSs
near Togiak National Wildlife
Refuge

This area was selected due
to its proximity to offshore
lightering

Significant changes to
shoreline and river mouth
locations were noted.

**2021 GRS Tier II and III
validations Kodiak Island:
Week of September 13, 2021**

8-Site visits from road system

Utilizing UAS

Utilizing local USCG assets
(vessel or helicopter)

Incorporate GIUE?
