

**Description of the Proposed Changes to 18 AAC 50**  
**July 2021**

Section	Discussion	Reason for Change
18 AAC 50.025(a)(2)	18 AAC 50.025(c)—Repeal subsection.	ADEC is repealing the subsection to remove two sulfur dioxide protection areas at Unalaska and St. Paul Island because they are no longer needed as the underlying conditions for which they were implemented have changed.
18 AAC 50.030(a)	18 AAC 50.030(a)—Update Volume III, Appendix to Volume II, Section II.A to adopt the revised regulations into the SIP.	ADEC is amending the adoption date of the section to reflect the adoption of updated regulations.
18 AAC 50.035	18 AAC 50.035(b)—Update adoption by reference date for procedures and test methods.	ADEC is adopting updated federal regulations so that applicable procedures and test method requirements are included in permits.
18 AAC 50.040	18 AAC 50.040(a), (b), (c), (h), (i), and (j)—Revise the lead-in language of each section to update the adoption by reference date to incorporate EPA’s most recent revisions to federal regulations adopted by reference in 18 AAC 50.	ADEC is adopting updated federal regulations so that applicable requirements are included in permits.
18 AAC 50.080	18 AAC 50.080— Repeal section.	ADEC is repealing the section pertaining to ice fog that is no longer needed to protect air quality.
18 AAC 50.502	18 AAC 50.502(c)(2)(B)—Repeal subparagraph.	ADEC is repealing the cross reference to a repealed regulation in 18 AAC 50.025(c).

18 AAC 50.540	18 AAC 50.540(c)(2)(C)— Repeal subparagraph.	ADEC is repealing the cross reference to a repealed regulation in 18 AAC 50.025(c).
18 AAC 50.542	18 AAC 50.542(a)(1)(B)— Repeal subparagraph.	ADEC is repealing the cross reference to a repealed regulation in 18 AAC 50.025(c).
<i>State Air Quality Control Plan, Volume II, Section III, E. Ice Fog;</i>	<i>State Air Quality Control Plan, Volume II, Section III, E. Ice Fog—Repeal the subsection.</i>	ADEC is repealing Volume II, Section III, Subsection E. Ice Fog from the State Implementation Plan because the regulations on ice fog are being repealed.
