Plan  Compliance  Compliance  Utility has no PM plan or performs no PM  Utility had no Monitoring and Reporting violations during the past year  Utility had up to five Monitoring and Reporting violation during the past year  Utility had more than five Monitoring and Reporting violation during the last year  Utility Management Training  A person who holds a position of responsibility for management of the utility has co a DCRA approved Utility Management course or other utility management training of within the last five years  The utility owner's governing body meets routinely consistent with the local ordinance/bylaw requirements and receives a current report from the operator  The utility owner's governing body meets routinely consistent with the local ordinance/bylaw requirements  The utility owner's governing body does not meet  Utility owner and the Utility have each adopted a realistic budget and budget amend are adopted as needed; Accurate monthly budget reports are prepared and submitt the governing body	0 10 5 0	7		To receive the full points in this category, the operator must have a Preventative Maintenance plan that they follow and the completed plan must be submitted to your assigned RMW each quarter.	Shane McIntyre YKHC RMW 543-6427
Compliance  Compliance  Utility had no Monitoring and Reporting violations during the past year  Utility had up to five Monitoring and Reporting violation during the past year  Utility had more than five Monitoring and Reporting violation during the last year  Utility had more than five Monitoring and Reporting violation during the last year  A person who holds a position of responsibility for management of the utility has co a DCRA approved Utility Management course or other utility management training of within the last five years  Meetings of the Governing Body  Meetings of the Governing Body  The utility owner's governing body meets routinely consistent with the local ordinance/bylaw requirements and receives a current report from the operator  The utility owner's governing body meets routinely consistent with the local ordinance/bylaw requirements  The utility owner's governing body does not meet  Utility owner and the Utility have each adopted a realistic budget and budget amend are adopted as needed; Accurate monthly budget reports are prepared and submitt the governing body	10 5 0				
Utility had up to five Monitoring and Reporting violation during the past year  Utility had more than five Monitoring and Reporting violation during the last year  A person who holds a position of responsibility for management of the utility has co a DCRA approved Utility Management course or other utility management training of within the last five years  Meetings of the Governing Body  Meetings of the Governing Body  The utility owner's governing body meets routinely consistent with the local ordinance/bylaw requirements and receives a current report from the operator  The utility owner's governing body meets routinely consistent with the local ordinance/bylaw requirements  The utility owner's governing body does not meet  Utility owner and the Utility have each adopted a realistic budget and budget amend are adopted as needed; Accurate monthly budget reports are prepared and submitt the governing body	5	0			
Utility had more than five Monitoring and Reporting violation during the last year  A person who holds a position of responsibility for management of the utility has co a DCRA approved Utility Management course or other utility management training of within the last five years  Meetings of the Governing Body  Meetings of the Governing Body  The utility owner's governing body meets routinely consistent with the local ordinance/bylaw requirements and receives a current report from the operator  The utility owner's governing body meets routinely consistent with the local ordinance/bylaw requirements  The utility owner's governing body does not meet  Utility owner and the Utility have each adopted a realistic budget and budget amend are adopted as needed; Accurate monthly budget reports are prepared and submitt the governing body	0	5	The utility had 4 Drinking Water Monitoring and Reporting violations in 2021.	The Drinking Water Program provides you with an Annual Monitoring Summary with all of the required samples for your water system. All samples and reports must be collected and submitted in a timely manner.	Doug Zellmer ADEC Drinking Water Program 269-3068
Utility Management Training  Meetings of the Governing Body  Body  Meetings of the Governing Body  Meetings of the Utility owner's governing body meets routinely consistent with the local ordinance/bylaw requirements  The utility owner's governing body does not meet  Utility owner and the Utility have each adopted a realistic budget and budget amend are adopted as needed; Accurate monthly budget reports are prepared and submitted the governing body					
Management Training  Meetings of the Governing Body  Body  Meetings of the Governing and the Utility owner's governing body meets routinely consistent with the local ordinance/bylaw requirements and receives a current report from the operator  The utility owner's governing body meets routinely consistent with the local ordinance/bylaw requirements  The utility owner's governing body does not meet  Utility owner and the Utility have each adopted a realistic budget and budget amend are adopted as needed; Accurate monthly budget reports are prepared and submitted the governing body					
Meetings of the Governing Body  The utility owner's governing body meets routinely consistent with the local ordinance/bylaw requirements  The utility owner's governing body does not meet  Utility owner and the Utility have each adopted a realistic budget and budget amend are adopted as needed; Accurate monthly budget reports are prepared and submitted the governing body	- I	5	Sheila Minock attended Financial Management for Rural Utilities training on 3/9/2018.	To maintain the full points in this category, consider sending someone to one of the free RUBA trainings each year.	
Body  ordinance/bylaw requirements  The utility owner's governing body does not meet  Utility owner and the Utility have each adopted a realistic budget and budget amend are adopted as needed; Accurate monthly budget reports are prepared and submitt the governing body	5	5	Minutes were provided for June through October 2021. Water operator reports mentioned in four of the months.	To receive additional points, provide RUBA with meeting minutes that consistently demonstrate the operator is providing a report to the council.	
Utility owner and the Utility have each adopted a realistic budget and budget amend are adopted as needed; Accurate monthly budget reports are prepared and submitt the governing body	2				
are adopted as needed; Accurate monthly budget reports are prepared and submitt the governing body	0				
<b>Budget</b> Either the Utility or the Utility owner has adopted and implemented a budget, the o		10	budgets for FY21 and FY22. Monthly financial reports, for each entity, were found only in three of six months meeting minutes.	Provide RUBA with monthly financial reports that are submitted to the council and documented in meeting minutes.	Fred Broerman DCRA RUBA Program 543-3475
not	other has 13				
Either the Utility or the Utility owner has adopted a budget, but it is not being imple	emented 10				
Utility owner and the Utility have not adopted a budget	0	0			
Utility is collecting revenue sufficient to cover the Utility's operating expenses and to contribute to a repair and replacement account  Utility is collecting revenue sufficient to cover expenses	to 20		Revenues surpass expenses and a reasonable repair and replacement account is funded.	Full points have been awarded! Keep up the great work.	
	15	20			
Revenue Utility is collecting revenue sufficient to cover expenses  Utility has a fee schedule and a collection policy that is followed  Utility has no fee structure or collection policy	5				
Utility has no fee structure or collection policy	0				
Worker's Utility has had a worker's compensation policy for all employees for the past two ye has a current policy in place	ears and 5	5 5	Continuous coverage for the utility owner was confirmed by the Alaska Municipal League Joint Insurance Association on 12/17/21.	Full points have been awarded. The utility owner must maintain an active worker's compensation policy to continue receiving these points.	
Compensation Utility has a current worker's compensation policy in place for all employees	2				
Utility has no worker's compensation policy	0				
Payroll Liability Compliance  Utility has no past due tax liabilities and is current with all tax obligations  Utility owes back taxes, but has a signed payment agreement, is current on that agreement, and is up-to-date with all other tax obligations		0 E	mus liabi	To receive additional points in this category, the utility must either become current on all outstanding tax liabilities, or must enter into a repayment agreement for	
Utility is not current with its tax obligations and/or does not have a signed repayment agreement for back taxes owed			outstanding tax liability, and remain current on pa	outstanding tax liability, and remain current on payments.	ıts.
