

**Village Safe Water Program  
Capital Improvement Project  
Multi-Year Priority List**

<b>Ongoing Planning Projects:</b>		
<b>COMMUNITY</b>	<b>SCOPE OF WORK</b>	<b>Type</b>
Adak	Community Water Source Improvements	Upgrade
Akiak	Akiak Lagoon Rehabilitation and Honeybucket Cell	Upgrade
Angoon	Water Storage Tanks	Upgrade
Aniak	First Service Water	Upgrade
Atka	Water Treatment Plant Upgrades	Upgrade
Buckland	Sewer Upgrade	Upgrade
Chefornak	Flush Tank and Haul Repairs	First Service
Chevak	Vacuum Sewer System	Upgrade
Chignik	Chignik Water Storage Tank and System Capacity Study	Upgrade
Chignik Lagoon	Water Source and Treatment Plant Improvements	Upgrade
Chistochina	First Service to 14 Homes and Washeteria Improvements	Upgrade
Chitina	Community Sanitation Facilities	First Service
Chuathbaluk	Washeteria Improvements	Upgrade
Coffman Cove	New Intake for Existing Water Treatment Plant	First Service
Copper Center	Community Water and Wastewater System Evaluation	First Service
Egegik	100K Gallon Storage Tank Bypass and Additional Water Capacity	Upgrade
Ekwok	Water Quality Improvements	Upgrade
Elim	Water Source Relocation	Upgrade
Glenallen	Wastewater System Assessment	Upgrade
Golovin	Relocation of Sanitation Facilities	Upgrade
Goodnews Bay	Honey Bucket Disposal Facility	Upgrade
Gustavus	Septage Tank	Upgrade
Hughes	Moose Loop Road Water and Sewer Service	First Service
Huslia	Birch Grove Water and Sewer Service	Upgrade
Kachemak	Potable Water Source	Upgrade
Kaltag	Washeteria Upgrades	Upgrade
Kasigluk	Landfill	Upgrade
Kiana	Taylor Road Water and Sewer Extension	Upgrade
Kiana	Water Storage Tank Upgrades	Upgrade
Kiana	Manhole Settling Project	Upgrade
Kotlik	Sewer and Water to 21 Homes	First Service
Kotlik	Lagoon Upgrades	Upgrade
Kotzebue	Water & Sewer Line Improvements	Upgrade
Koyukuk	Sludge Disposal Facility	Upgrade
Manley Hot Springs	First Service Water and Sewer	First Service
Metlakatla	Wastewater Collection, Water Distribution, and Water Storage Tank Assessment	Upgrade
Mountain Village	Residential Water and Sewer Services and Water System Improvements	Upgrade
Napakiaik	Washeteria Repairs and Upgrades	First Service
Nenana	Water and Sewer Systems Repairs	Upgrade
Newhalen	Wastewater PER	Upgrade
Nikolaevsk	Watering Point	Upgrade
Nikolai	Sewage System Repair and Expansion PER	Upgrade
Nondalton	Water Storage Tank	Upgrade
Nulato	Lagoon Improvements	Upgrade
Nunam Iqua	Water Treatment Pilot Study	Upgrade
Pelican	Wastewater Treatment for Mussel Heights	Upgrade
Pilot Point	Water System Repairs	Upgrade
Pilot Station	Sewage Lagoon	Upgrade
Port Alexander	Water System Upgrade	Upgrade
Port Alsworth	Solid Waste Landfill	Upgrade

**Village Safe Water Program  
Capital Improvement Project  
Multi-Year Priority List**

<b>Ongoing Construction Projects:</b>			
<b>COMMUNITY</b>	<b>SCOPE OF WORK</b>	<b>Type</b>	<b>FUNDING TO DATE</b>
<b>Alatna</b>	Sewage lagoon rehabilitation and repair.	First Service	\$ 190,128
<b>Anderson</b>	Procurement of a vacuum sewer truck. Design and construction of onsite wastewater systems and individual wells.	Upgrade	\$ 2,000,000
<b>Bethel</b>	Bethel Heights water and sewer.	First Service	\$ 14,000,000
<b>Crooked Creek</b>	Rehabilitation of existing water treatment plant/washeteria, including a new water storage tank.	First Service	\$ 486,504
<b>Marshall</b>	Phase 9 water and sewer improvements, including replacement of water and sewer mains and services to 18 homes, and extension of water and sewer mains to provide service to three homes, Head Start building, community building, and clinic.	Upgrade	\$ 3,973,060
<b>Napakiak</b>	Sewer lagoon and water treatment plant design and construction.	First Service	\$ 10,255,519
<b>Tununak</b>	Piped water and sewer for 90 homes and design of a modular water treatment plant/washeteria.	First Service	\$ 16,222,800
<b>Unalakleet</b>	Design and construction of distribution system and service line replacement.	Upgrade	\$ 32,821,031
<b>White Mountain</b>	Design of a new modular water treatment plant and procurement of a standby generator for the water treatment plant.	Upgrade	\$ 900,000

*Note: Projects have been funded in phases and are prioritized for funding during subsequent CIP funding opportunities.*

Village Safe Water Program  
Capital Improvement Project  
Multi-Year Priority List

The following projects are fully funded to complete construction. Minimal funding, if any, will be required in order to complete these projects.

COMMUNITY	SCOPE OF WORK	Type	FUNDING TO DATE
Akiachak	Completion of community piped water and sewer system, including service lines and plumbing for West Section and water and sewer mains, service lines, and house plumbing for East Section.	First Service	\$ 19,446,532
Aleknagik	Low pressure sewer system replacement for 20 homes and percolation cell expansion.	Upgrade	\$ 9,272,000
Ambler	Reroute water main and construct concrete armoring of well to protect against erosion.	Upgrade	\$ 3,948,000
Chefornak	Completion of new sewage lagoon, lift station and force main, honey bucket dump site, water storage tank, watering points/pump stations, and washeteria.	First Service	\$ 8,257,921
Chenega Bay	Design and construction of a sludge disposal site.	Upgrade	\$ 600,000
Chenega Bay	Manhole improvements and sewer realignment on Cato Street.	Upgrade	
Chevak	Sewer lagoon design and construction.	Upgrade	\$ 21,460,000
Chignik Lake	Sewer lift station refurbishment.	Upgrade	\$ 667,651
Circle	Wellhead improvements and rehabilitation of the existing water treatment plant. Upgrade the water storage tank and rehabilitate the washeteria. Replace water distribution and raw water circulation equipment.	First Service	\$ 3,259,812
Coffman Cove	Luck Point sewer replacement.	Upgrade	\$ 2,441,544
Coffman Cove	Upgrades to the water treatment plant to replace obsolete equipment.	Upgrade	\$ 1,379,730
Cold Bay	Procurement and installation of a backup generator at the water treatment plant.	Upgrade	\$ 335,381
Eagle	Design and construction of a community watering point, including well exploration and development.	First Service	\$ 500,000
Emmonak	Construction of new water treatment plant.	Upgrade	\$ 7,000,000
Emmonak	New raw water source, pump house and control; new water treatment plant; and water and sewer main extension and 10 service lines.	Upgrade/ First Service	\$ 7,636,512
Emmonak	Service to 4 AVCP homes.	Upgrade/ First Service	\$ 3,357,518
Galena	Water treatment plant upgrades.	Upgrade	\$ 1,359,015
Glacier View	Design and construction of a community watering point in Glacier View, including well development.	First Service	\$ 500,000
Gulkana	Replace the existing water storage tank with a 100,000 gallon tank.	Upgrade	\$ 1,560,354
Hooper Bay	Design and construct a new sewer lagoon.	Upgrade	\$ 34,164,909
Hydaburg	Upgrades to South Main Street settling tanks and new sewage effluent station.	Upgrade	\$ 5,847,516
Igiugig	Water treatment plant backup generator and arctic enclosure.	Upgrade	\$ 1,000,000
Kachemak Selo	Ground water study, exploratory well drilling, production well, new water storage tank that will be connected to the community distribution system.	Upgrade	\$ 2,249,925
Kaltag	Replace water main, water service lines and connections, upgrade circulating pumps, relocate well #1 power drop, and install new sewer line and replacement of manholes.	Upgrade	\$ 7,064,816
Kivalina	New modular washeteria and water treatment plant.	First Service	\$ 10,037,600
Kobuk	Construction of a new drainfield.	Upgrade	\$ 4,367,000
Kokhanok	New water treatment plant.	Upgrade	\$ 4,510,444
Kokhanok	Water storage tank rehabilitation.	Upgrade	\$ 500,000
Koyukuk	Construct interior plumbing for 22 homes.	First Service	\$ 1,746,000
Lime Village	Construct interior and exterior plumbing, residential wells, and onsite septic systems for 16 homes.	First Service	\$ 943,000

Village Safe Water Program  
**Capital Improvement Project**  
**Multi-Year Priority List**

The following projects are fully funded to complete construction. Minimal funding, if any, will be required in order to complete these projects.

COMMUNITY	SCOPE OF WORK	Type	FUNDING TO DATE
McGrath	Replace STEP septic tanks and lagoon aeration system. Improvements to the piped water distribution.	Upgrade	\$ 4,976,695
Mekoryuk	Flush tank and haul replacement for 8 homes and washeteria repairs	First Service	\$ 1,500,000
Mountain Village	New water storage tank and related infrastructure improvements to address long-term water shortage conditions in the village.	Upgrade	\$ 3,136,490
Nanwalek	Water System Upgrades	Upgrade	\$ 5,248,852
Napakiaik	Water treatment plant treatment upgrades; upgrade the adjacent mechanical building and connect it to the washeteria; installation of a community watering point and a 10,000 gallon finished water storage tank.	First Service	\$ 1,500,000
Nelson Lagoon	Design and replace 14 onsite wastewater systems with new individual pressure-mounded systems. Regrade the surrounding landscape of homes to direct overflow away from residences.	Upgrade	\$ 2,641,120
Newhalen	Water treatment plant and well rehabilitation and water storage tank construction.	Upgrade	\$ 2,088,054
New Stuyahok	New modular water treatment plant.	Upgrade	\$ 6,888,456
Nikolaevsk	Water treatment plant improvements and mixer for water storage tank.	Upgrade	\$ 1,010,058
Nondalton	Truck and Sewage Pumper Trailer	Upgrade	\$ 271,400
Nunam Iqua	Combined utility building improvements	Upgrade	\$ 3,456,000
Nunapitchuk	Water treatment plant, water storage tank, and washeteria and sewer lagoon improvements including the completion of a PER and ER. Development of new water well.	Upgrade	\$ 1,733,401
Ouzinkie	New chemical feed pumps, instrumentation and control system for the water treatment plant.	Upgrade	\$ 305,400
Port Alexander	Construction of a new 125,000 gallon bolted steel water tank and supporting timbers and concrete foundation.	Upgrade	\$ 3,879,325
Port Graham	Replace existing sewage ocean outfall with a single new outfall and associated lift station, force main, and gravity sewer collection facilities.	Upgrade	\$ 7,556,700
Rampart	Interior plumbing, wells and onsite wastewater treatment systems to eight homes.	First Service	\$ 6,530,496
Ruby	Interior plumbing, wells and onsite wastewater treatment systems to 26 homes.	First Service	\$ 9,301,028
Saint Paul	Replace two sewer lift stations with wet wells constructed adjacent to the existing dry wells and above-grade pump building on top; replace pumps and controls and reroute existing piping.	Upgrade	\$ 3,057,181
Sand Point	Water treatment plant renovations, to include installation of new filter lights, filter media, and underdrain laterals, polymer solution pump, streaming current detector, influent and effluent flow meters, turbidimeters and SC200 display screens, and updated control systems.	Upgrade	\$ 392,600
Scammon Bay	Expand the existing lagoon to accommodate the current loading.	Upgrade	\$ 7,430,536
Seldovia	Slough sewer collection system improvements.	Upgrade	\$ 3,932,000
Seldovia	Wastewater treatment facility improvements.	Upgrade	\$ 1,573,500
Shageluk	Gravity sewer system, water services, and house plumbing.	First Service	\$ 15,558,400
Slana	Service to 3 homes and well investigation for 2 homes.	First Service	\$ 1,267,000
Thorne Bay	Wastewater collection system improvements.	Upgrade	\$ 5,334,723

Village Safe Water Program  
 Capital Improvement Project  
 Multi-Year Priority List

The following projects are fully funded to complete construction. Minimal funding, if any, will be required in order to complete these projects.

COMMUNITY	SCOPE OF WORK	Type	FUNDING TO DATE
Tuluksak	Design and construction of a new sewer force main, lagoon, and water service and sewer service to core facilities.	First Service	\$ 2,813,346
Twin Hills	Replace the existing water system by installing new distribution system.	Upgrade	\$ 6,095,936
Tyonek	Replacement of the Indian Creek subdivision water distribution main and service line piping and appurtenances.	Upgrade	\$ 3,061,616
Unalakleet	Facility improvements necessary to address failing raw water transmission line, including the drilling of test wells.	Upgrade	\$ 16,665,788
Upper Kalskag	Force main and lift station improvements.	Upgrade	\$ 525,000
Venetie	New water treatment plant and washeteria.	First Service	\$ 1,203,609
Voznesenka	Piped water service to homes in the Falls Creek area including individual septic systems and house plumbing.	First Service	\$ 3,112,654
Wales	New water treatment plant and washeteria.	First Service	\$ 16,348,556
Whale Pass	Well exploration and construction of a community watering point.	First Service	\$ 500,000
Whittier	Replacement of Lift Station #5.		
Yakutat	Design and construct 3 new lift stations (Old Village, Jension, "schools") and design and rehabilitate 2 lift stations (Cannery and Sunrise).	Upgrade	\$ 9,398,668

*Note: Upon construction completion and a determination that no additional funding is needed, projects will be removed from this list.*
