DEC has prepared an APDES preliminary draft general permit for the reissuance of the AKG003000 Hydrostatic and Aquifer Pump Testing activities. The Preliminary Draft General permit and associated documents are available to the applicant for a 10-day review. Following the close of the 10-day review period, DEC will prepare a draft permit and fact sheet for a formal 30-day public review period. Public comments will be accepted during the formal 30-day public review period. You can access the documents on DEC's Wastewater Discharge Authorization Program webpage at <https://dec.alaska.gov/water/wastewater>.
