

How to Report Oiled Wildlife

For your safety and the safety of the wildlife -
DO NOT touch or approach wildlife.

Report live or dead oiled wildlife:

For **Marine Mammals:**

National Marine Fisheries Service – Alaska Marine Mammal Stranding Network
1-877-925-7773

For **Birds:**

U.S. Fish & Wildlife Service – Sick or Dead Bird Hotline
1-866-527-3358 or FWSAKSpillResponse@fws.gov

For **Terrestrial Mammals, Fish, or Shellfish:**

Alaska Department of Fish & Game – Jeanette Alas
907-267-2805 or jeanette.alas@alaska.gov

Information to provide:

- Time, date, and location of observation (including latitude/longitude if available).
- Type of species and numbers of each species observed.
- Condition of animal (dead, slightly oiled, preening, scavenging, etc.).
- Photograph(s) if available.

**Observations of oil or sheen on the shore or in the water should be reported to the
National Response Center at 1-800-424-8802**
