

Multi-Sector General Permit Notice of Termination (NOT)

version 1.9

Form Input

**This form may contain one or more sections or controls that are conditionally displayed based on answers provided in other parts of the form*

Form Instructions

Please see:

[Instructions for completing the NOT for Storm Water discharges associated with industrial activity under the APDES MSGP.](#)

Permit Information

MSGP NOI Permit Tracking Number

Permit Reporting Requirements *Select One

- All required reports (including DMR if applicable) and certifications have been submitted to DEC.

You must submit all reporting requirements to the DEC before you can terminate this permit.

Select the reason that most accurately describes the request for the termination *Select One

- You transferred operational control to another operator. You no longer have storm water discharge associated with industrial activity subject to regulation under the APDES program, and you have already implemented necessary sediment and erosion controls as required by Part 4.2.5.
- You are a Sector G, H, or J facility and you have met the applicable termination requirements. You obtained coverage under an alternative APDES permit.
