

**LT2 HOLD TIME WAIVER (48 hr) MASTER LIST (2-21-18)**

**NOTE: This is a list of all PWS with LT2 E. coli sampling requirements. Only a portion of the systems are approved for a Yes Hold Time waiver for LT2 E. coli samples.**

**NOTE: ONLY Colilert or Colilert 18 media can be used on samples needing the hold time waiver; i.e. even if the waiver applies to the system that has submitted the sample, the sample can only be analyzed by a Colilert or Colilert 18 method.**
