

NOTICE OF ELEVENTH MEETING OF WORKGROUP FOR GLOBAL AIR PERMIT POLICY DEVELOPMENT FOR TEMPORARY OIL AND GAS DRILL RIGS

The Alaska Department of Environmental Conservation (DEC) facilitates a workgroup to discuss air quality concerns and operational limitations for temporary oil and gas drill rig operations at portable oil and gas operations. This workgroup will develop recommendations for improving air permit program policies and procedures, and includes representatives from the following interested parties:

- DEC Air Quality Division
- DNR Oil and Gas Division
- Alaska Oil and Gas Association (AOGA)
- Cook Inlet Regional Citizens Advisory Council (CIRCAC)
- Alaska Support Industry Alliance
- North Slope Borough

Meetings of the workgroup will discuss options for changing air quality permitting of temporary oil and gas drill rigs to allow for greater operational flexibility while still addressing air quality concerns, including the federal standards that protect air quality.

The eleventh meeting will be held on **July 12, 2018, from 9:00 a.m. to 12:00 p.m.** The meeting will be held in person and conference call. There will be a conference room available for people who wish to meet in person in the **1st Floor Main Conference Room at DEC's Anchorage Office located at 555 Cordova Street; and via a conference call-in number.**

The public is invited to attend the meeting and observe the discussion. No formal testimony will be taken at the meeting, but interested persons may raise questions, comments, or concerns through a workgroup member.

The purpose of the eleventh workgroup meeting will be to discuss the proposed Minor General Permit 2 (MG-2) and to gauge workgroup interest in expanding the MG-2 applicability to include Cook Inlet, for which modeling has yet to be submitted and the daily fuel thresholds agreed upon.
