To transfer a permit to a new owner, provide the date on which you want the transfer to occur. DEC regulations require notice to the Department before transferring a wastewater permit for a facility or activity. [18 AAC 15.100(b)(d), 18 AAC 83.410(c)]

#### **B. PREVIOUS INFORMATION**

Enter the previous business name, facility identification number, permit number, and the facility's physical address.

#### **C. NEW INFORMATION**

The name will appear on the permit and must be the active business name registered with the Alaska Division of Corporations, Business, and Professional Licensing, 907/465-2550, <https://www.commerce.alaska.gov/web/cbpl/BusinessLicensing.aspx>, unless otherwise exempted by their regulations.

The signatures of the Responsible Parties for the previous owner and the new owner, or their duly authorized representatives, must be obtained before DEC will transfer a permit. Please provide a written agreement containing a specific date for transfer of permit responsibility, coverage, and liability between the current and new permittee.

**IMPORTANT NOTE:** Your signature as the Responsible Party for the new owner on this form is required for compliance with DEC regulations. The Responsible Party must be one of the following:
