

Chimney Cleaning Affidavit

A clean and clear chimney/exhaust is required for proper draft and achieving optimal efficiency both in regards to emissions and burn times. All manufacturers are required to recommend maintenance in their manuals for keeping the device operating as efficiently as possible. Though manufacturers each have a recommended cleaning schedule in general at a minimum a chimney/exhaust should be cleaned once a year.

Has the chimney/exhaust of the device seeking a waiver been serviced, replaced, or inspected in the past year?

 (yes/no)

If yes:

Option 1: Professionally cleaned

Date of service _____ by _____
(Individual & company name)
