State Air Quality Control Plan

Vol. III: Appendix III.D.7.14

{Appendix to Volume II. Analysis of Problems, Control Actions; Section III. Area-wide Pollutant Control Program; D. Particulate Matter; 7. Fairbanks North Star Borough PM_{2.5} Control Plan, Serious Requirements}

Public Review Draft

August 19, 2024

Michael J. Dunleavy, Governor

Emma Pokon, Commissioner

Note: This document provides the appendix to the revised and/or new language proposed for inclusion in this section of the State Air Quality Control Plan to address the disapproval of the Fairbanks North Star Borough PM_{2.5} Serious SIP. The revised and/or new proposed language is in bold and underlined format. Language proposed to be deleted or replaced is shown in ~~strikeout~~ format. These revisions are the only parts that are open for public review and comment in this amendment to the plan. To aid in the public comment process, the currently adopted sections of the air quality plan can be found and referenced at the following internet site: <https://dec.alaska.gov/air/anpms/sip/fbks-pm2-5-regs-amends-2020/>

 Despite the national recognition of Juneteenth as a federal holiday, our office remains open and operational today. We acknowledge the significance of this day, commemorating the end of slavery in the United States, and we encourage everyone to reflect on its historical and cultural importance. While we continue our work today, let us also honor the spirit of Juneteenth by continuing to implement Title VI, Civil Rights, and a culture of inclusivity, education, and mutual respect. We appreciate your understanding and dedication as we balance our professional responsibilities with the profound meaning of this important day.

Our Policy Board Meeting will start at 12 PM today. There is a very full agenda - swipe for details! Join in-person at 100 Cushman Street, Suite 215 or online at www.fastplanning.us/keepup/zoom

FAIRBANKS NORTH STAR BOROUGH

RESOLUTION NO. 2024 – 30

A RESOLUTION SUPPORTING THE ALASKA DEPARTMENT OF ENVIRONMENTAL
 CONSERVATION DIVISION OF AIR QUALITY’S MOTOR VEHICLE EMISSIONS BUDGET
 (MVEB) FOR INCLUSION IN THE STATE IMPLEMENTATION PLAN

WHEREAS, The Fairbanks North Star Borough (Borough) has the highest recorded 24-hour levels of fine particulate matter (PM_{2.5}) in the nation; and

WHEREAS, A portion of the Borough was designated by the Environmental Protection Agency (EPA) to be a nonattainment area for PM_{2.5} in 2009; and

WHEREAS, The Borough and the Alaska Department of Environmental Conservation (ADEC) continue to work as partners to bring the area into attainment; and

WHEREAS, ADEC developed and submitted a serious State Implementation Plan (SIP) in 2019 as required by the EPA; and

WHEREAS, The EPA disapproved portions of the 2019 SIP in late 2023 starting the sanction clock which among other things negatively impacts incoming federal highway dollars and local transportation construction planning; and

WHEREAS, ADEC is amending the 2019 SIP submission and providing supporting documents to attain full approval from the EPA avoiding further sanctions; and

WHEREAS, ADEC requests local support of the MVEB as included in the SIP amendment.

NOW THEREFORE BE IT RESOLVED that the Assembly of the Fairbanks North Star Borough supports the Motor Vehicle Emissions Budget for inclusion in the SIP amendment submittal for EPA approval.
