

St. Paul Island Cleanup of Contaminated Groundwater in the Old Village Area

The National Oceanic and Atmospheric Administration (NOAA) and the Alaska Department of Environmental Conservation (DEC) will host a public meeting to discuss NOAA's request to cleanup contaminated groundwater in the Old Village Area using the "10x Rule."

The purpose of the meeting is to discuss NOAA's request and receive comments from the community.

When: 7:00p.m. June 27, 2002

Where: City Council Chambers, St. Paul
