

Alaska Department of Environmental Conservation
Storage Tank Program

**SUPPLEMENT TO
CERTIFICATION OF FINANCIAL
RESPONSIBILITY**

Owners or Operators of Underground Storage Tank (UST) systems are required to provide proof of Financial Responsibility (FR) to the Alaska Department of Environmental Conservation (ADEC) when installing a new UST, responding to a cleanup, changing FR mechanisms, or when requested by ADEC. Annual proof of FR is required starting January 1, 1998, and is required each January 1 thereafter.

Financial Responsibility is required for tanks owned or operated by private parties or local governments. State and Federal owners and operators are exempt from this requirement.
