Article 4 Revision Project 2016 Implementation Webinar May 23, 2016

The Regulations and Guidance Group of the Prevention, Preparedness, and Response Program will be hosting a teleconference and webinar on Monday, May 23, 2016 from 1:30 – 2:30 p.m. Alaska Standard Time. The goal is to familiarize interested stakeholders with recent updates to the Oil Discharge Prevention and Contingency Plan and Nontank Vessel Plan regulations under 18 AAC 75.

This one hour webinar will:

- Explore how this regulation package relates to past and future regulation projects.
- Highlight recent changes.
- Identify resources to assist you.
- Give an overview of how to submit application package documents electronically.

Login and Dial-in information

To ensure the best quality presentation we will be using Skype for Business for the webinar and a teleconference line for audio.

To join the Skype Meeting*, click on the following link by 1:25 p.m. on May 23

<https://meet.lync.com/stateofalaska/clare.pavia/M6SJ6P1L>

Teleconference dial-in information:

Dial 1-800-315-6338

Access Code: 52833

Can't attend the webinar portion? No problem. Simply dial in to the teleconference at the information provided above. All materials presented in the webinar will be available for download on our website prior to the webinar.
