Re: HMWPE Cable

Randy,

Corrpro is a distributor for two different HMWPE wire suppliers. Kris-Tech Wire, manufacturers of **High Molecular Weight Polyethylene (HMWPE)** wire, is headquartered in Rome, New York. Since 1984 they have manufactured their own wire in the U.S.A.

Kalas Wire & Cable, manufacturers of HMWPE cable, operates out of three plants in Denver, PA, and one in Lancaster, PA. Since 1958 they have manufactured their own wire in the U.S.A.
