

Water and Wastewater Works Advisory Board

**State of Alaska
Department of Environmental Conservation**

Rescinding of Past Board Policies

Background

The Governor's Water/Wastewater Works Advisory Board has been adopting policies since 1988. Policies are designed to interpret regulation and recommend procedure. The Department uses Board policies to consistently evaluate exam eligibility, interpret regulation, and implement procedure.

Introduction

The Operator Certification Program has evolved through the years. Some of the past Board policies are no longer relevant. In some cases, policies interpret regulations that no longer exist. In other cases, policies recommend obsolete procedures.

Discussion

The Board reviewed policy 2009-09 during the March 11, 2015 meeting. The policy was targeted to be rescinded.

A Motion to Rescind Policies

The Board voted to rescind the following policy at the March 11, 2015 meeting.

Policy 2009-09 Certification of Water Haul and Sewer Pump Truck Drivers

The policy was superseded by Policy 2015-01.
